

Microsoft Office 365 ProPlus for Students

Saint Mary's College offers Microsoft Office 365 ProPlus for Students for free to all current Saint Mary's students.

The software will be available for incoming students to obtain beginning Wednesday, August 5, 2020.

Office 365 ProPlus offers full versions of current Microsoft Office software that can be downloaded and installed on students' personally-owned macOS and Windows computers. Versions of Office for mobile devices are also included with Office 365 ProPlus.

The Office 365 ProPlus software can be installed on up to five devices that a student personally owns. Computers, iPhones, iPads, Android phones, and Windows 10 tablets are devices eligible to have Microsoft Office 365 software installed. A list of system requirements necessary for Microsoft software, including software available through Office 365 ProPlus, is available at <http://www.saintmarys.edu/resnet/resnetfaq/microsoftspecs.html>.

Only current Saint Mary's students are eligible for the Microsoft Office 365 ProPlus for Students license. The Office 365 ProPlus software will expire immediately after your student affiliation with Saint Mary's College ends. Your student affiliation with Saint Mary's College ends if you leave the College for any reason, including graduation. At expiration, the software will enter a reduced-functionality mode (files can be viewed but it will not be possible to edit or create new files) and the OneDrive associated with your Saint Mary's account will no longer be accessible.

Students can obtain a license for Microsoft Office 365 ProPlus for Students from the ResNet Office. Details for the process this fall will be sent to students via e-mail during the last week of July. The software can then be downloaded directly from Microsoft.

For more information on Microsoft Office 365 ProPlus for Students and how Saint Mary's students can obtain the software, please visit <http://www.saintmarys.edu/resnet/resnetfaq/microsoftoffice365.html>
