# Recommended Apple Computers

Summer 2022 - [www.saintmarys.edu/resnet](http://www.saintmarys.edu/resnet)

---

To order a recommended Apple computer online through Saint Mary's College:

ResNet recommends that you take the time to review our *2022/2023 Student's Guide for Bringing a Computer to Saint Mary's College*, available on our ResNet website at [www.saintmarys.edu/resnet](http://www.saintmarys.edu/resnet), before selecting a computer for purchase.

Visit [www.apple.com/edu/saintmarys](http://www.apple.com/edu/saintmarys) to take advantage of education pricing from Apple.

- If you wish to purchase one of our recommended models, click [here](#). View Saint Mary's recommended models and select one of your choosing. You can continue shopping to add other accessories if you wish. Then place your order.
- If you wish to purchase a customized model, visit [apple.com/edu/saintmarys/](http://apple.com/edu/saintmarys/) and scroll down to the Mac section to select the computer you wish to purchase and customize it to your liking. You can continue shopping to add other accessories if you wish. Then place your order.
- You can choose to have your computer shipped to you. Standard shipping is free, and Apple provides you with estimated shipping and delivery dates before you enter your payment information.
- You can choose to pick up your computer at an Apple Store®. Select an Apple Store and Apple will tell you the availability for the model you selected before you enter your payment information.

---

## Why order a recommended Apple computer online through Saint Mary's?

Our recommended models include system specifications that should help the computer last for four years at Saint Mary's, and they include Apple's AppleCare+ three-year warranty. ResNet has had a lengthy and positive experience with Apple computers. Information Technology purchased the 13-inch MacBook Pro for College faculty and staff who use Apple computers.

In addition, ordering a recommended computer online using the instructions above ensures that you will receive the correct educational discount for being a Saint Mary's student, you can easily select a recommended computer model or customize one for your needs, and Apple will give 3% of your purchase price back to the Saint Mary's Fund. (The Saint Mary's Fund helps with the College's general operating budget, the money does not go to the Information Technology department or ResNet.)

*Devices such as Apple's iPad should be viewed as complements to a student's computer, rather than a replacement for a student's computer.*
